Mifare® Fingerprint Reader Family
PC Software and Desktop Reader

- AS-B01 PC management software to:
  - Read biometric information
  - Program Mifare® cards
  - Manage users' database (cards and fingerprints)
- CP-R25 and CP-R26 Desktop Readers to program cards and enroll fingerprints
- Create Master card to configure all readers' mode of operation
- Create User cards with fingerprints and ID to be sent to control panel

Mifare® Fingerprint Reader Family
Solutions

- No need to manage user's fingerprint database

- Privacy is kept while fingerprint data can be stored only on card

- Security at its highest level
